

# TALKTALK TV'S EASTER CHALLENGE

To help you keep the family entertained while at home this bank holiday weekend, TalkTalk TV has created its very own Easter egg hunt. Not the chocolate kind... the hidden content kind. There are nine secret 'Easter Eggs' – visual nods to other characters or films – hidden in the family favourite films listed below. Check out the clues and see how many you can find via TalkTalk TV.

## Disney FROZEN II

When Anna and Elsa are playing 'enchanted forest' with snow dolls, you may spot a few familiar faces, but can you name all four?

## Disney MOANA

A long way from home. If you're watching Moana this Easter, keep your eyes peeled for a surprise appearance from our favourite four-legged friend, but which movie does he come from?

## INDIANA JONES and the RAIDERS OF THE LOST ARK

During the scene where Indiana lifts the Ark of the Covenant out of its crate, you'll notice him standing beside a pillar decorated in hieroglyphics. But which famous intergalactic duo are hidden in the etchings?

## Disney Christopher Robin

Fun Fact – the clip of the train featured in Christopher Robin is actually on its way to a particularly magical school. 10 points to Gryffindor if you can spot it and name the famous train!

## Disney · PIXAR COCO

There's an Easter egg at the beginning of Coco that gives away Hector's big secret from the moment he's introduced. The key clue? Look out for the golden tooth through the film.

## Disney MARY POPPINS RETURNS

What lovable dancing animal makes a surprise appearance in the sequel to Mary Poppins?

## JUMANJI THE NEXT LEVEL

Calling all hard-core Jumanji fans, you may note the restaurant named 'Nora's' is mentioned throughout The Next Level, but can you find the link to the original 1995 movie?\*

## Disney · PIXAR FINDING DORY

Do you know your Marvel from your Marlin the clownfish? Near the end of the movie, the truck that Dory drives has a horn made in the shape of which super heroes shield?

## Disney RALPH BREAKS THE INTERNET

Which much-loved island baby can you spot in the back of a car during Wreck-it Ralph 2? Hint: She's a long way from Te Fiti.

All of these films are available via TalkTalk TV either on its Rent or Own platform, Sky Cinema, Netflix or Amazon Prime

Answers: Frozen – Baymax, Snow White, Dumbo, Totoro. Moana – Frozen. Indiana Jones – C3PO and R2D2. Christopher Robin – Hogwarts Express. Coco – Hector is Miguel's relative, and the true writer of Ernesto De La Cruz's songs.

Mary Poppins Returns – Penguins. Jumanji: The Next Level – Nora is also the name of the Aunt in the original movie. Finding Dory – Captain America. Ralph Breaks The Internet - Moana
